 - Yes, I'm interested in providing for my pets after my passing.
 - No, either I don't have pets, or if I do, I'm not interested in putting specific provision for them in my Will or Trust.
5. Who referred you to our office (e.g., how did you hear about our office)? _____

6. Name of person who completed this Questionnaire: _____
7. Date Questionnaire was completed: _____

Please note that this questionnaire does not ask you to fill in blanks regarding who you'd like to appoint in your Will, Trust, Powers of Attorney, or the details of how you'd like your assets distributed. Those are all very involved areas that are well beyond a simple "fill in the blank" form. We will talk through all of those matters at our next appointment and discuss the implications of all of those decisions. Nevertheless, it will be very helpful for you to give some thought to the following general questions so that we have a starting point at our meeting:

Will & Trust

1. Who you'd like to appoint as the Personal Representative ("Executor") in your Will and who you'd like to list as backups to that main person. You can list as many backups as you like. Our office recommends at least 2 backups.
2. If you have minor children, who you'd like to name as the Guardian of those children should each of their parents pass away while they are under age 18. Please provide backups to that main person. Our office recommends at least 2 backups.
3. If you're drafting a Trust, who you'd like to name as the successor Trustee (backup trustee) to handle and distribute your Trust assets after you pass away or become incapacitated. Again, please provide at least 2 backups.
4. Generally, how you'd like your assets distributed upon your death. Think of everyone you'd like

to provide for, and please think about a secondary or contingent distribution plan in the event that a particular beneficiary predeceases you (e.g., do you want that gift to go to someone else, down to the deceased beneficiary's children, or to lapse and revert back and increase the shares of the other living beneficiaries.)

- A. Note that children under 18 cannot receive money outright. If you're planning for children or young adults, what age or ages would you like the children to receive money outright? Rather than giving the entire gift to children at a certain age, many people prefer to spread it out over several years (e.g., 1/3 at ages 25, 30 and 35 or 1/2 at 25 and 30 - or at any ages and percentages that you prefer.)

General Durable Power of Attorney

1. Who you wish to name as your Agent in your Durable Power of Attorney. Please provide at least 2 backups.

Durable Power of Attorney for Health Care & Health Care Directive

1. Who you'd like to name as your Agent to make health care decisions for you if you're incapacitated and unable to communicate those on your own. Please provide at least 2 backups.
2. What health care directives do you wish to leave for your Agent if you are persistently unconscious or there is no expectation of your recovery from a terminal injury or illness? E.g., do you wish to be put on a respirator, CPR, surgery, given tube feeding, etc.? Don't worry, as this is a complicated topic, we'll spend some time discussing this issue.
3. Do you wish to be an organ donor? If so, are there any restrictions that you wish to place on this donation?
4. Any last wishes for your remains (e.g., particular service, burial, cremation, etc.)?

Please be ready to provide full names, addresses and telephone numbers of all the above individuals you wish to name in your estate planning documents. I'll need to get those from you at our meeting.

Don't worry if you don't have answers to all of these questions or if these questions raise other questions you'd like to ask - - we'll talk through all of this at our appointment. If need be, you'll leave the appointment with a "To Do List" of items you need to think about and get back to me on.

Please return this completed Questionnaire to our office via email prior to your appointment - that way I can review it in advance and make best use of our meeting time.
